**An Educational Tour / Visit to**

*Museum, Reserve Bank of India, Kolkata*

*&*

*Central Library, University of Calcutta*

**Department of Economics**

**Netaji Nagar College for Women, Kolkata-92**

*Date : 09.12.2022*

## Session - I : Museum, RBI

Time : 11:00 AM to 1:00 PM

## Introduction

On **09.12.2022**, a group of [Number] students from **Netaji Nagar College for Women, Kolkata-92**, accompanied by two faculty members, Dr. Soma Saha, Associate Professor of Economics and Dr. Bipul De, Associate Professor of Economics embarked on an educational tour to the Reserve Bank of India (RBI) museum in Kolkata, located at 8 Council House Street the RBI Museum is just a short distance away from the RBI Kolkata regional office.

The ***objective of the tour*** was:

1. to provide students with a firsthand understanding of the history and evolution of the Indian banking system,
2. the role of the RBI in the Indian economy, and
3. the various aspects of money and currency.

**The RBI Monetary Museum aims at documenting and preserving the heritage. The Museum proposes to put in place permanent, temporary and itinerant exhibits of the representative coinage of India, paper currency, gold bars as well as financial instruments and curiosities down the ages**

## The Museum Visit

The students were warmly welcomed by the museum staff and a brief orientation about the museum's layout and exhibits was given by Mr. Arindam Sen, Curator, RBI Museum, Kolkata.

- ***The reception area of the museum***

It contains a registration desk along with a small souvenir shop. The souvenir shop sells RBI memorabilia, many of which are made of shredded notes. The walls are decorated with shredded note design and the pillars contain a collage of discarded coins. A compilation of drawing shows the journey of Indian currency notes write from the making of the paper to the process of destruction.

- ***Documentary on history of RBI***

The visit to the RBI Museum starts with a small documentary. The 20 minutes documentary depicts the history of RBI along with a brief introduction to finance and banking.

Interactive session of our students with the officers from the main building was highly informative. Information regarding the job opportunities, specially for girls were truly encouraging for our students.

- ***Halls & Galleries***

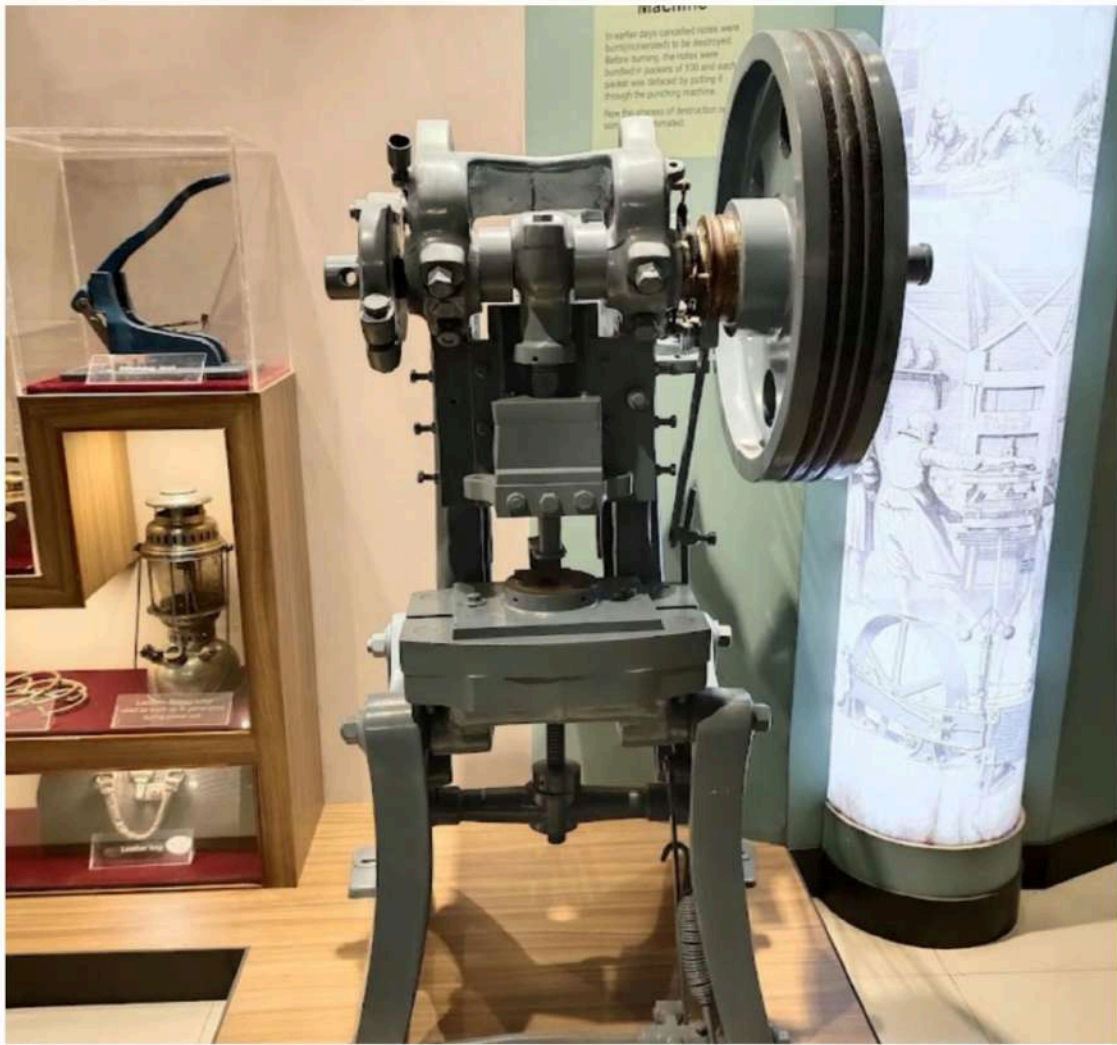

The museum is divided into several galleries, each showcasing a different aspect of the Indian banking system and its rich history.

1. Hall 1 – Setting the Tone
2. Hall 2 – The Central Hall : Gallery 1 – History of Money, Gallery 2 – Story of Gold, Gallery 3 – Genesis of RBI.

The section on history of money continues through several displays which even includes models and video clips explaining more complex financial issues like gold standards.

- **Printing section**

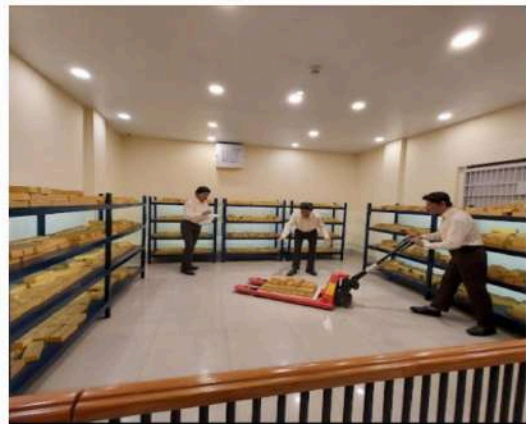

Another interesting exhibit in the ground floor is a printing press, which is still in operation. Visitors in the RBI Museum can get a certificate with their names printed by the vintage press.

## Conclusion

The educational tour to the RBI museum was a valuable learning experience for the students of Netaji Nagar College for Women, Kolkata-92. The students gained a deeper understanding of the Indian banking system, the role of the RBI, and the importance of money and currency in the economy. They also had the opportunity to see historical artifacts and interact with exhibits that brought the museum's collection to life.

Overall, the tour was a success and met its objectives.

The students were engaged and enthusiastic throughout the visit, and they left with a newfound appreciation for the history and importance of the Indian banking system.

## Session -II : Central Library, C. U. Time - 2:00 PM - 4:00 PM

The library of Calcutta University, established in 1857 will be now thrown open to public. Opening the library for public use will enable everyone to explore the unexplored territories in the field of arts, science and other literary fields and will create a positive impact on the College Street Campus.

### Objective of the Group Visit:

- To expose students to the vast resources and services available at a renowned academic library of the **University of Calcutta**
- To familiarize students with different library sections, collections, and research methodologies.
- To inculcate a love for learning and research among students.

“Spread across ten floors of the Centenary building, the central library of Calcutta University houses more than seven lakh books, journals and research papers. Right from its inception, all the papers published by the university scholars are available here for public reading. Besides, a huge part of the library has been digitised and it gets over two lakh daily hits from across the world. Besides, the building also houses a Braille library, which has over 10 audio systems”, The Times of India, September 10, 2021.

### **About the Group Visit:**

The visit commenced with a library orientation session conducted by the librarian and library staff. Welcome address and briefing were given by Dr. Pratap Chandra Roy, Librarian and Dr. Supta Manna, Assistant Librarian of the University of Calcutta to our students. Students were introduced to the library's layout, resources, and services, including online databases, e-journals, and specialized collections relevant to economics.

### **Guided Tour:**

Following the orientation, students participated in a guided tour of the library's various sections, gaining insights into the organization and management of such a vast collection. They witnessed the rare book collection, manuscript archives, and digital preservation facilities of the library was truly interesting, including:

- General collection section
- Reference section
- Periodicals and journals section
- Special collections (manuscripts, rare books, etc.)
- Digital library facilities

**Interactive session:**

Throughout the visit, Dr. Soms Saha engaged students in discussions about the importance of academic libraries in their academic pursuits. The library staff encouraged students to utilize the library's resources effectively for their research on:

- Accessing library resources and services
- Effective research strategies
- Importance of ethical citation practices

Dr Pratap Chandra Roy, university librarian, showed us one of the prized and rarest collections of the library – Volume I of Daniell’s oriental scenery.

### **Q&A session and open discussion with Librarian**

The interaction with librarians and faculty members sparked intellectual curiosity and encouraged students to delve deeper into their chosen field.

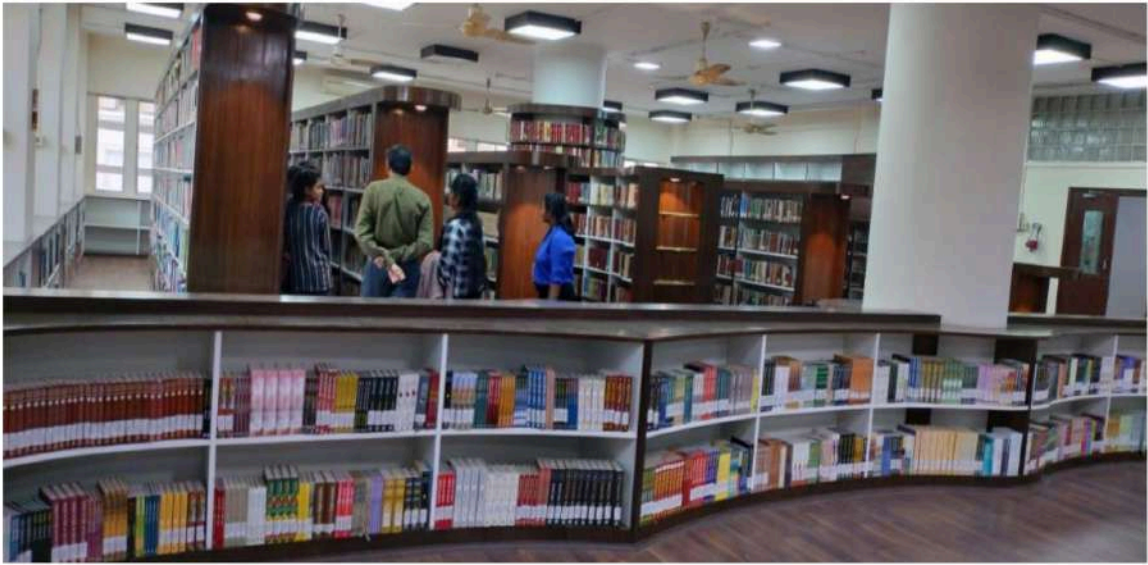

### **Concluding Observations:**

The educational visit to the Central Library proved to be a valuable learning experience for the economics students. They gained valuable insights into research methodologies, information literacy skills, and the vast academic resources available to them.

# REPORT

On

**One day outreach activity**

**under**

**'India International Science Festival(IISF) 2023'**

**Venue :** CSIR-IICB, Jadavpur campus (4, Raja S C Mullick Road, Kol-32)

**Date & Time :** 15<sup>th</sup> December, 2023 & 10:00 AM to 4:00 PM

## INTRODUCTION

The India International Science Festival (IISF), a celebration of India's achievements and laurels in the field of Science & Technology is one such initiative to explore the vision 'Science for Society'. The 9th edition of the India International Science Festival (IISF) 2023 will be held at Faridabad, Haryana from January 17th-20th, 2024. The theme of the present edition is 'Science and Technology Public Outreach in Amrit Kaal'.

The image shows a promotional banner for the India International Science Festival (IISF) 2023. The banner is divided into two main sections. The top section features the festival's logo on the left, which includes a gear and a globe, and the text 'INDIA INTERNATIONAL SCIENCE FESTIVAL 2023' in large, bold letters. Below the logo, it states '17 to 20 January 2024' and 'IISF 2023 - IICB Campus, MCR Biotech Science Cluster, Faridabad, Haryana'. The theme 'Science and Technology Public Outreach in Amrit Kaal' is also mentioned. On the right side of the banner, it says 'ORGANISED BY' and lists the logos of the Ministry of Science and Technology, Government of India, and the Government of Haryana. The bottom section of the banner has a dark background with purple and blue light effects. It features the text 'IISF 2023 - Unleash the Science Spectacle!' and 'Various Electrifying Events Await:'. Below this, there are two columns of event highlights, each starting with a star icon. The left column lists: Student Science Village, Face-to-Face with New Frontiers of Science & Technology, Science through Games & Toys, Students Innovation Festival - Space Hackathon, Vigyanika - Science Literature Festival, State S & T Ministers and Center and States S&T Secretaries and officials Conclave, IISF Challenge, and Education for Aspiring India-National Science Teachers Workshop. The right column lists: Young Scientists' Conference, New Age Technology Show, National Social Organisations and Institutions Meet (NSOIM), Science, Technology and Innovation Exhibition, S&T Media and Communicators Conclave, Start-up, Technology and Innovation B2B Meet, and Women Scientists and Entrepreneurs Conclave. At the bottom of the banner, there is a call to action: 'Be the part of the largest Science Festival. Register for events at <https://www.scienceindiafest.org/> and fuel your passion for Innovation.' Below the banner is a photograph of a large conference room with many people seated at long tables, each with a laptop. A large screen at the front of the room displays a presentation with images of the Indian Prime Minister, a rocket launch, and a group of people.

## THEME

The essential notion is to engage general populace with science in an enjoyable and entertaining manner, thereby contributing to health, prosperity and meaningful life. The central theme of IISF 2023 is "Science and Public Outreach in Amrit Kaal". This time, 22 countries are also participating at IISF 2023.

## AIM & OBJECTIVES

The objective of IISF's is to commemorate the world of science, making it accessible to all. The aim is to engage the public with science and celebrate the joy of science and show the ways how science, technology, engineering and mathematics (STEM) provide us with the solutions to improve our lives.

As a part of India International Science Festival (IISF) an invaluable one day outreach activity programme was organized by CSIR-IICB Kolkata on December 15, 2023 at 9:45 am at CSIR-IICB, Jadavpur campus (4, Raja S. C. Mullick Road, Kolkata 700 032). In this programme our College was invited for a visit and as a participating Institute. The college gratefully accepted the invitation and took part in it with enthusiasm.

## INVITATION

सी.एस.आई.आर-भारतीय रासायनिक जीवविज्ञान संस्थान  
वैज्ञानिक तथा औद्योगिक अनुसंधान परिषद की एक इकाई  
विज्ञान एवं प्रौद्योगिकी मंत्रालय के अधीन, एक स्वायत्त निकाय, भारत सरकार  
4, राजा एस. सी. मुल्लिक रोड, यादवपुर, कोलकाता - 700 032

**CSIR - INDIAN INSTITUTE OF CHEMICAL BIOLOGY**

A Unit of Council of Scientific & Industrial Research  
An Autonomous Body, under Ministry of Science & Technology, Government of India  
4, Raja S. C. Mullick Road, Jadavpur, Kolkata-700 032

Ref: IICB/IISF/2023

Date: December 11, 2023

To  
The Principal  
Netaji Nagar College for Women  
Kolkata, West Bengal

Dear Sir/Madam,

CSIR-IICB is going to organize one day of outreach activity under the 'India International Science Festival 2023' banner on December 15, 2023 at 9:45 AM at CSIR-IICB, Jadavpur campus (4, Raja S. C. Mullick Road, Kolkata 700 032). The event will provide the students with a first-hand experience on the modern aspects of R&D including instrumental techniques, used to facilitate high end research.

We are inviting your active participation in this programme. To accommodate maximum number of colleges, we are restricting the number per college to maximum 30 (thirty) students having Biology and Chemistry background accompanied by 02 (two) faculties. You have to make necessary arrangements for the transport to our institute and back. Any sort of photography or video-graphy during the laboratory visit is strictly prohibited and the participating students may be made aware of this.

Please confirm your visit indicating the number of students by December 13, 2023 positively through return mail to serve you better.

With regards,

Yours sincerely,

  
Dr. Sarita Ghosh  
Principal Scientist & Head, P&I Division  
CSIR-IICB, Kolkata

## EVENTS AND ACTIVITIES

The programme is meant to support and motivate the young minds towards excellence in their future Science & Technology research pursuits. There were two parts in the day long programme- a seminar and a session of hands-on activity, both of which were conducted successfully mainly in Biological and Chemistry fields with the participants.

# PARTICIPATION

## Netaji Nagar College for Women

170/13/1, N.S.C. Bose Rd., Regent Estate, Kol-700092

### ATTENDANCE SHEET

Venue : CSIR-IICB, Jadavpur Campus (4, Raja S.C. Mullick Road, Kolkata 700032)

Event : One day outreach activity under the "India International Science Festival 2023" banner.

Date & Time : 15<sup>th</sup> December, 2023 & 10:00 am to 4:00 pm.

OUR RECOGNITION

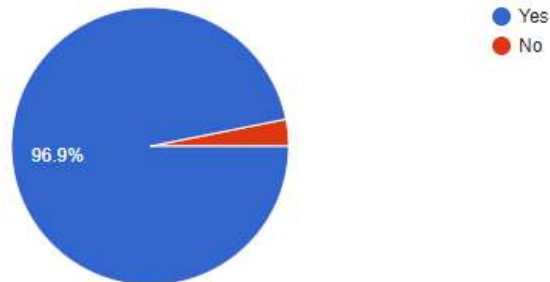

## FEEDBACK

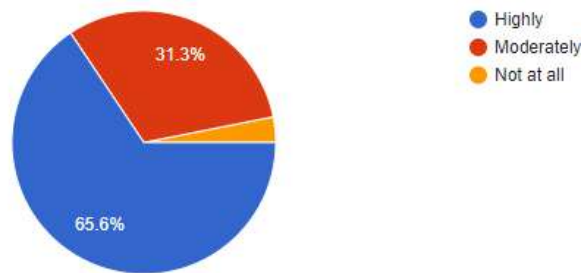

After completion of the programme, feedback obtained by google form from the students was analysed and is provided bellow-

### Queries & its report :

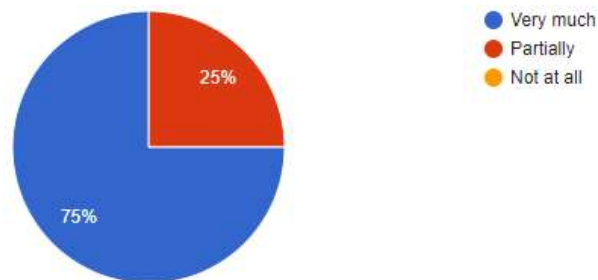

1. Is this the first time you are visiting Research Institution ?

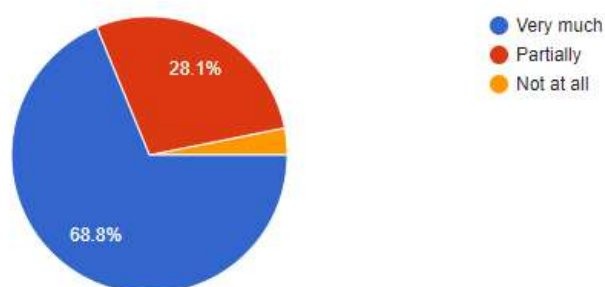

2. How relevant was the visit to your course of studies ?

3. Are you interested to attend similar programme in future ?

4. Did this programme encourage you for Higher studies and Research work in future ?

5. How was your experiences from this programme ?

**Few words :**

- Excellent
- It was a memorable learning experience.
- Very good. The teachers who were explaining the things to us did a very good job in simplifying the concepts and making us understand.
- Very nice experience.
- It was such a great experience in my life. Thanks to CSIR IICB to get us this opportunity to visit a lab. And demonstrate those all things and equipments, machines. It was relevant with our studies. It encourage us to higher studies and research work. The behaviour of lab assistant and lab members was too Good and friendly. They demonstrate us very nicely.
- Good but expected a participation certificate which we had been not given.
- This was my first time visiting a lab for research and with all the proper lab equipments. The honourable guests who came to the ceremony and had their lectures also shown us about many interesting facts of science and it's history. While visiting the lab, I was able to see the experiments so closely and got to know briefly about them from respective sir and madam present in the labs. The programme encouraged me a lot for higher studies and taught me things which we usually don't get to know from our text books.
- Very good.
- It was very useful to visit the laboratories of the research institute. I got to see all the instruments and their functions. The scientists demonstrated everything. I am really looking forward to visit the research institute again.
- It was such a pleasure for me to get a chance to spend a wonderful day with our indian scientists. I gathered a lot of knowledges about science by the scienctists and the wonderful programme which was beautifully organised by them.It was one of my memorable and best day of my life.
- Great experience
- Interesting and very helpful
- It was very relevant and refreshing. So inspiring and helpful for our further studies. Thank you!!!
- Very interesting
- Quite Nice.
- This was great experience for me.
- It was such a great experience in my life. Thank you CSIR IICB to get us the opportunity to visit a lab. And demonstrate those all things and equipments , mechines. IT was relevant of our studies . The behaviour of lab assistant and members was to good and friendly. The demonstrate us very nicely.
- Good experience
- I like this programme very much. Would like to visit such a place again in the future. I gained a lot of knowledge through it. It will help me in my higher education. I want to thank my teachers, who are guided us I
- Awesome
- Very good
- Very informative & encouraging

## **CONCLUSION**

Both the events provided the students scientific knowledge with hands-on experience on the modern aspects of Research & Development including instrumental techniques, used to facilitate high end research. They enjoyed the overall programme and enriched their knowledge.

**THANK YOU**

**18<sup>th</sup> January 2024 12.00 Noon Onwards**  
**Venue : College Auditorium**

### AIM OF THE PROGRAMME

The Bengali filmmaker Mrinal Sen was the creator of socially conscious and rebellious films that challenged conventional mainstream philosophies. There's little in common between satyajit Ray Ritwik Ghatak and Mrinal Sen apart from the fact that they are all classic Bengali textbook auteurs who are highly respected and studied by cinephiles and students in film schools around the world. Ray's films are highly literate classical in spirit and reassure your faith in the human condition. By contrast ghatak's powerful films delved into themes of displacement and homeland and hopes of post partition Bengali society.

Enter Mrinal Sen one of the most influential Bengali Masters. Sen is the conjurer of politically bold and rebellious films that challenged conventional mainstream philosophies. His films explored the lives thoughts and beliefs of both the working class as well as revolutionaries.

He rose to peaks of fame with his Calcutta trilogy in the early 70's interview , Calcutta 71 and padatik remain lining documents of the restless Calcutta of the 70's. His first film was released in 1955 and last in 2002 with his creativity peaking in the 1970s and early 1980s . He made 28 feature films including one for children to his credit of which 21 are in Bengali one each in Odia and five in Hindi.

Mrinal Sen has received various National and International Honors including eighteen Indian National Film Awards. The Government of India Honored him with the padma Bhushan. Sen was also awarded the dadasaheb phalke award the highest award for filmmakers in India.

Dear Students,

All of you get ready at 8.30 pm tomorrow 5th july 2020 with your computer/phone internet on.

You will be given a link in the google class room. Open it and tick the correct answer and submit within the time i specify (hardly 15 mins approx ). Every participant will be getting certificate later. Hope you will enjoy.

SG Madam
