Figure 1: Contributors from Netaji Nagar College for Women for the fundraising for the Yaas-affected people of Indian Sundarbans

Outcomes: The hardships faced by the marginalized communities in the Sundarbans area were truly disheartening. Coping with natural disasters like Yass was already challenging, but the COVID-19 pandemic compounded their difficulties. However, we took measures to assist those in need, including providing a cash grant of @500 directly to the widows of fishermen

from the Sundarbans and its surrounding regions. This direct support was crucial in these trying times, especially for the coastal communities of West Bengal, which were greatly affected by Yass in late May.

Report on Extension Activities of the College for 2021-22

Name of the Program: Sahamormita

Objectives: As ideal citizens, it is our responsibility to extend our assistance to the inhabitants of the Sundarbans area in their hour of need, especially in coping with natural catastrophes like cyclones and floods. The unwavering commitment of our college's faculty and student body to this cause is truly inspiring. They contribute financial resources to aid in the aftermath of such calamities, helping the indigenous fishing communities sustain their families and shield them from these disasters.

Outcomes: The struggles experienced by the marginalized communities in the Sundarbans region were undeniably distressing. Managing natural disasters such as Cyclone Yass was difficult, and the challenges were further exacerbated by the COVID-19 pandemic. Nevertheless, we consistently took steps to support those in need. This direct assistance was particularly vital during this period, especially for the coastal fisherwomen of the Indian Sundarbans.

On 25th July 2021, we, in collaboration with Mr. Subhash Mukhopadhyay, Hridikotha, Domjor; Anubabh (Kamarpukur), alumni (2016-2019) of Ramakrishna Mission Residential College, Narendrapur, and Mr. Jaydev Das, Headmaster, Khansaheb Abad High School, provided books, notebooks and other stationaries to the students of Ghoramara Milan Vidyapith, Sagar. We contributed 10,000/- (Rupees ten thousand only) in this regard.

Come in to Learn and Go out to Serve.
