DIGITAL LITERACY WORKSHOP

On

23/12/2022

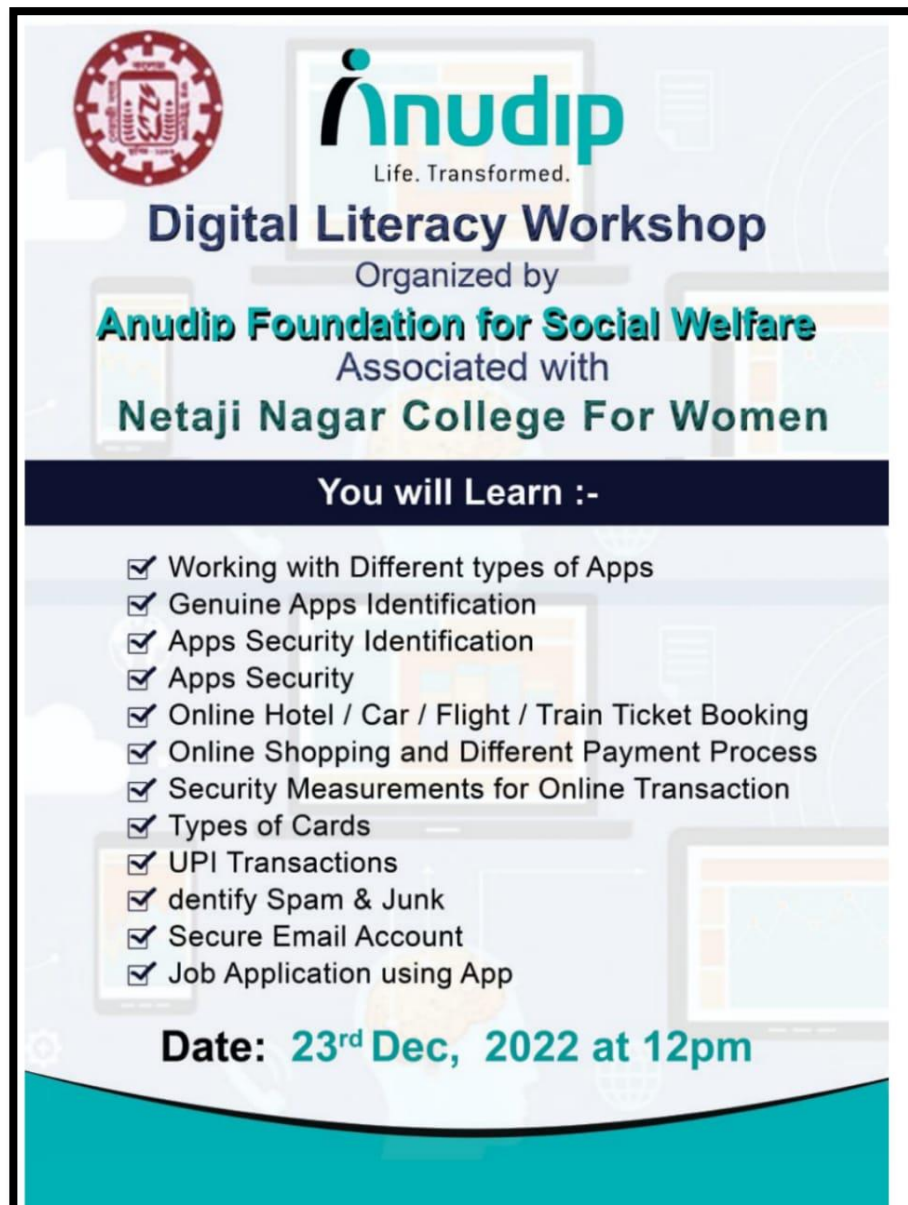

Jointly organized by

IQAC, Netaji Nagar College for Women

and

Anudip Foundation for Social Welfare

The IQAC of the College and Anudip foundation for social Welfare jointly organised a Digital Literacy Workshop for students of the College. The goal of the Workshop was to provide detail learning to the students about different digital apps, their working procedure and utility in daily life. A total number of sixty five students enrolled for the said workshop and completed one month certificate course in Mobile apps literacy.

The poster features a red circular logo on the top left and the Anudip logo in the top center. The background is light blue with faint icons of a smartphone, a laptop, and a document. The text is centered and uses a mix of bold and regular fonts in blue and black. A dark blue horizontal bar highlights the 'You will Learn :-' section, which contains a list of 13 items, each preceded by a checkmark. The date and time are prominently displayed at the bottom in a large, bold, teal font.

Webinar on Job Oriented Career Counselling

Date of the program: 8th December 2021

Organized by: Department of Zoology and Department of Environmental Science, Netaji Nagar College for women.

In association with: Magic Bus India.

Registered Office: Magic Bus India Headquarters, Room 5, 2nd Floor, A Wing, Todi Estate, Sun Mills Compound, Lower Parel, Mumbai, Maharashtra –400013 | Phone: +91 22 4333 9393 | Email: info@magicbusindia.org | Website: www.magicbus.org

Official Proposal mail received on: 18/11/2021

Objective: The objective of job-oriented career counselling is to assist students in making informed decisions about their career paths by aligning their interests, skills, and aspirations with opportunities in the job market. Here are some key objectives:

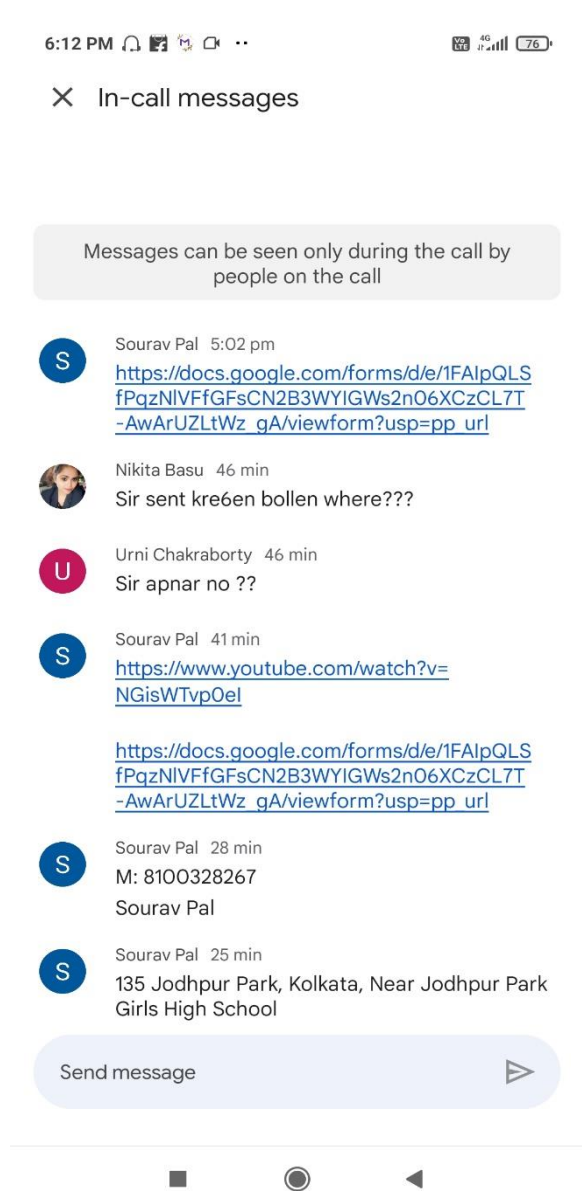

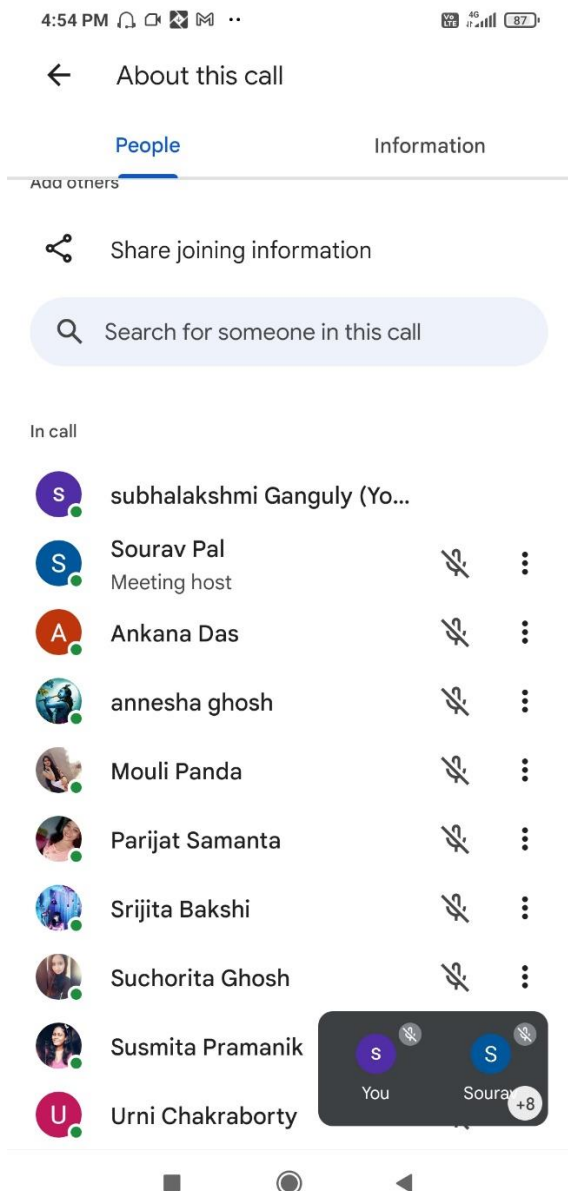

1. **Self-awareness:** Help individuals understand their strengths, weaknesses, interests, values, and personality traits to make informed career choices.
2. **Career exploration:** Provide information about various career options, industries, job roles, and educational pathways to help individuals explore different possibilities.
3. **Goal setting:** Assist individuals in setting realistic and achievable career goals based on their interests, skills, and market demand.
4. **Skill development:** Identify and develop the necessary skills and competencies required to succeed in chosen career paths, including academic qualifications, technical skills, and soft skills.

Program Outcome:

The outcomes of a career counselling program were quite fulfilling for students of both the departments. Students could explore various Career Options that are available immediately after their Graduation. They developed clarity to explore different career paths and occupations that best fit for their interests and skills. They received guidance on resume writing, networking, job searching strategies, interviewing techniques, and other essential skills to navigate the job market effectively. Counsellor helped participants identify and overcome barriers, such as fear self-doubt, lack of confidence, that may be hindering their career progress. Magic Bus ensured to provide access to a supportive network of professionals, mentors, and peers who can offer guidance, encouragement, and opportunities for career growth. Lastly, the program increased confidence in their abilities to pursue and achieve their career goals and move to a clear path forward.

ORGANISATION OVERVIEW

Magic Bus works with some of the world's poorest children and young people, taking them from a childhood full of challenges to a life with meaningful livelihoods. We equip young people with the skills and knowledge they need to grow up and move out of poverty.

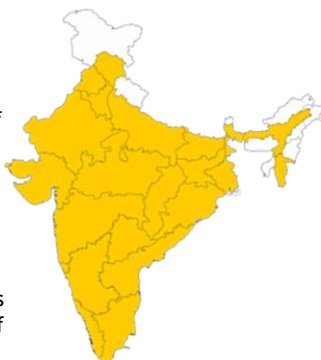

Children on the Magic Bus programme complete school, and go on to enroll in vocational institutes or colleges. They successfully fend off destabilizers such as child marriage and child labour and become first-generation salary earners. Our participants complete their education and have secure careers.

Our youth-centered Livelihoods Programme connects the aspirations and potential of young people to available market opportunities. We build their employability skills and map job potential based on individual strengths and mobility.

We work with support structures: parents, the community at large and local institutions to ensure results in social, emotional and economic well-being for all young people living in that area. Our approach mobilises the entire ecosystem available to the child or youth to create transformational change in their lives.

KEY FACTS

- Magic Bus is one of the largest poverty alleviation programmes in India, working with more than 400,000 children and 9000 trained volunteer mentors in 22 States and 68 Districts of the country
- Our childhood programme works in support of the country's most important child rights policies, including the Right to Education Act, 2009
- The Magic Bus Livelihood Programme is in alignment with the Government of India's National Youth Policy

EXPECTED OUTCOMES OF THE PROGRAMME

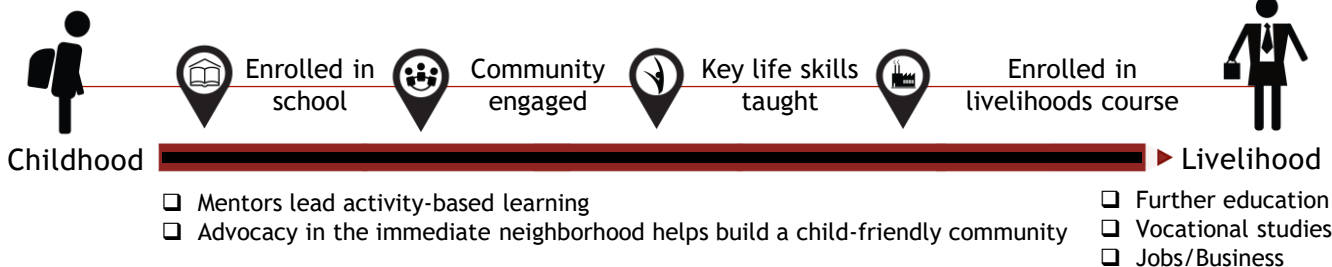

- Magic Bus children complete school all the way up to Grade 12, unlike general Indian school-goers (57% of children in India drop out by Class 10, age 14)
- A girl on our programme is nearly 100% sure of avoiding child marriage. This is significant since as many as 47% of Indians are married off as children
- Youth on the Magic Bus programme get stable, dignified jobs
- Women and girls on the programme are more likely than their non-Magic Bus counterparts to remain economically self-reliant throughout their lives

THE ACTIVITY-BASED CURRICULUM

As one of the early adopters of the UN's sport for development agenda, the Magic Bus curriculum is a pioneering pedagogy, grounded in action research, academic research and classical learning theories. The curriculum works over the long term to impact individual behaviour around education, gender equity and life skills and builds up towards future that is productive and respectable.

THE MAGIC BUS MENTOR

- The Magic Bus mentor is the key person delivering the programme to all children
- The mentor comes from the same community as the children, enabling a relationship that is both close and constant
- Each mentor is trained in the activity-based curriculum

MAJOR AWARDS

- Magic Bus won the charity of the year award at the Asian Voice Charity Awards (2016), UK and the UEFA Foundation for Children Award (2016)
- Magic Bus is the first Indian entity - and the only non-profit - to have been awarded the prestigious Laureus Sport for Good Award (2014)
- We also won the President of India's Rashtriya Khel Protsahan Award (2014)
- Other recent awards won include: The Spirit of Humanity Award (2013); the World Bank Development Marketplace Award; and Rising Star (Finalist) Award by the Resource Alliance (2013)
- In 2007, our Founder, Matthew Spacie, was awarded an MBE (Member of the British Empire) for services to children in the Commonwealth. In 2015, he won the Beyond Sport Leadership Award

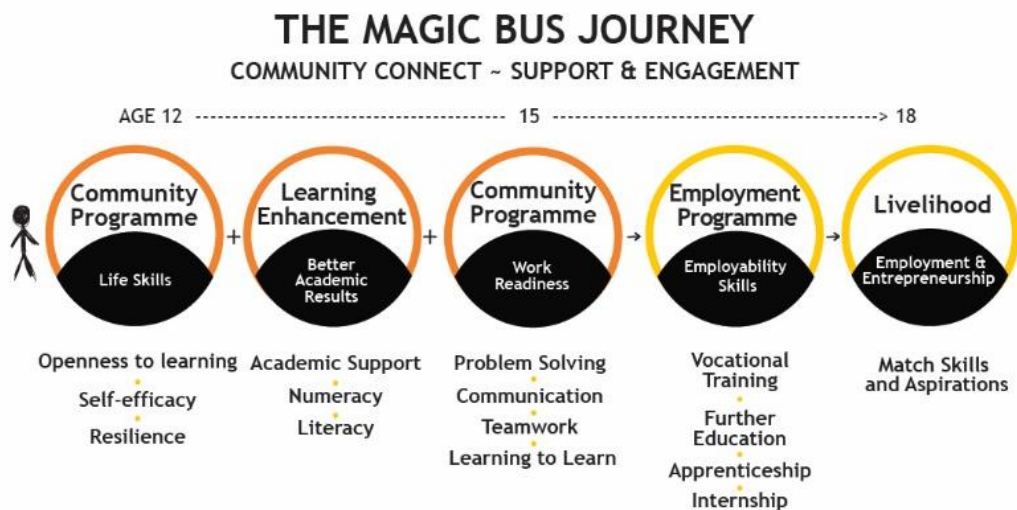

GOVERNMENT PARTNERSHIPS | INDIA

- Sarva Shiksha Abhiyan (SSA) is the Government of India's flagship programme to universalise elementary education. Magic Bus is partnering with Governments of Andhra Pradesh, Rajasthan, Telangana, Karnataka, Tamil Nadu, Mizoram, Delhi, and Maharashtra to help implement the SSA
- Lakshmbai National Institute of Physical Education, India
- Government of Mizoram, India

HOW WE WORK

HIGHLIGHTS FROM MAGIC BUS' ANNUAL IMPACT SURVEY

- Each and every adolescent girl (in the age range 11-18 years) on the programme goes to school. Nationally, 41.3% girls drop out of school by Class 8 (age 12)
- The school enrolment rate among children who take part in the programme is 99%, as against the national average of 90.8%.
- Among the 1000 Magic Bus young people who were in employment by the end of March 2015, 95.5% were in waged or salaried work with an average income of Rs. 7900. This is significant because in India, of every 1000 employed youth, only 18.7% youth have wage/salaried jobs, or regular income.
